The rule is That all films  
produced in Mysore should pay the  
certification fee of Rs 5/- when it is to be  
exhibited here. This is the first rule.

The fee of Rs 1/- is for foreign productions  
certified in British India & which come into  
Mysore for exhibition.

When the producer has the  
benefit of the conveniences of Mysore &  
the film is produced here, there is no  
reason why he should not get it first  
certified here.

This rule will no doubt, apply  
only to films produced in Mysore subsequent

of 1934

General and Revenue  
Secretariat

to 18 Jan 1932, since prior to that date no fee was being charged in Mysore.

Secretary to Government,

Sir

I have the honour to invite kind reference to Government Order No. P. 5285-95 Legis. 7-31-4 dated 7th March 1932 revising the rate of fees for certification of cinematograph films.

The first paragraph *of* the G.O. says that films produced and proposed to be exhibited in the Mysore State should pay a fee of Rs 5/- per thousand feet. The second paragraph directs that a reduced fee of one rupee per thousand feet should be collected when a certificate of the Board of Censors <sup>in British India</sup> is ~~accepted~~ <sup>accepted</sup> in Mysore without further examination.

The District Superintendent of Police reports that a certain film produced in the Mysore State has been certified by the Board of Censors in British India. The same film is proposed to be exhibited at Davangere. It is not clear in the G.O. referred to above whether a fee of Re. 1/- or Rs 5/- should be collected in such cases.

I solicit the favour of instruction in this matter very early. I am enclosing a copy of the letter of the District Superintendent of Police for reference.

I have the honour to be,

Your most obedient servant,

*M. Seshadri*  
District Magistrate.

Letter No. S-1. C. 566/31 dated 7th/11th May 1932 from

Adverting to Government Notification No. Fl. P. 5296/Legis.  
7-31-32 dated 7-3-1932 revising the rates of fees for the examining  
nation and certification of Cinema Films exhibited in Mysore, I  
have the honour to state that the Rule 3(a) it is stated "that a  
fee of Rs 5/- per 1000 feet shall be charged for the examination  
and certification of all films produced in the Mysore State and  
proposed to be exhibited in Mysore. If the film is produced in  
Mysore and bears a Censor certificate of the Board of Censors in  
British India and is proposed to be exhibited in Mysore, it is  
doubtful whether a fee of Rs 5/- per 1000 feet is to be recovered  
( vide rule 3 (a) or only a fee of rupee 1/- is to be recovered  
( vide rule 3 (1) ).

I solicit clear instructions in the matter.
